

Seth Drayer | Director of Training | Created Equal

Seth Drayer is the Director of Training for [Created Equal](#), a pro-life education and outreach organization based in Columbus, Ohio. Seth equips the next generation of preborn defenders with the scientific/philosophic case for life and conversational skills to create dialogue about abortion in their hometowns.

Seth also engages university professors in formal debate, such as Dr. Ralph Webb of Purdue University, and has appeared on national television shows *Fox & Friends* and *Hannity*.

Seth holds a Bachelor of Arts from Indiana University and has been in full-time pro-life ministry since 2010. He resides in Columbus, Ohio, with his wife Aubrie and their daughter.

Seth Drayer is a stellar example of what a pro-life apologist should look like. He's persuasive with his content, engaging with his listeners, and gracious to his critics. — Scott Klusendorf, President, [Life Training Institute](#)

I have been involved with the sanctity of life mission since 1973 . . . In all my years and throughout many seminars, I have never been given the scientific facts as explicitly as you presented them. — Linda Basso, [Pius X High School](#)

I personally wish I had seen and experienced Seth's presentation years ago. I thought I understood abortion and my role as a Christian leader, but this presentation helped open my eyes to an injustice that I only half knew about and biblically had failed to stand against in a more effective away. — Joel Gregory, Senior Pastor, Living Faith Missionary Church

Seth presented a strong case for the pro-life position in front of a group of skeptics and came across as very articulate and knowledgeable. His ability to train Christians on the pro-life position in an ever increasing secular culture is needed more than ever. — Eric Chabot, Director, [Ratio Christi](#), The Ohio State University

If you are looking for a speaker for an event who knows the abortion industry, the reality of abortion on women today and has the compassion and knowledge to present the subject in an engaging manner, Seth Drayer is the person you're looking for. — Pam Durdahl, Executive Director, [AFH Ministries](#)
