OHIO'S "FIRST ABORTION FACILITY" FINALLY CLOSES

In 1973, *Roe v Wade* legalized abortion throughout America. That same year, Founder's Women's Health Center (FWHC) began killing babies in Columbus, OH. It was the first abortion facility in Ohio after the landmark Supreme Court decision.

For years, Created Equal has been a faithful presence outside FWHC to counsel women and men entering the facility. Last week while sidewalk counseling, we received intelligence that FWHC had sold its building. The buyer told us, "I just bought the property. It's not an abortion clinic anymore."

We called the realtor to confirm. Not only did he corroborate the information, but he also told us: "The doctors are retiring. And they're just selling their building."

Join us in praising God! FWHC may have been Ohio's first abortion facility, but it won't be the last to close its doors.

Notorious Ohio abortion facility closes after nearly 50 years of killing! Listen to the realtor confirm the news: <https://youtu.be/q51JeeYrJJ0>.

"WAKE UP, AMERICA!" BEGINS IN NATION'S CAPITAL

We are delivering the mail! In key districts, we're educating voters through literature left on doorsteps, while in others we're using an exciting technology called Every Door Direct Mail.

How can we expect Americans to use their vote for the voiceless unless they understand the injustice?

For this reason, Created Equal is committed to bringing abortion victims before the voters. And this year, we're reaching more Americans than ever before through the postal service's Every Door Direct Mail (EDDM) system.

With EDDM, we can deliver through the mail our "Wake Up, America!" postcard showing an aborted baby.

We're starting with Washington, DC. This summer, we intend for *every home in DC* to receive our postcard.

It only costs us \$0.36 to reach each residence! Will you help? **Your gift of \$10 allows us to reach 28 homes!**

On the back: [Meet Our Summer Interns!](#) →

ON THE GROUND AND IN THE AIR AT THE DEMOCRATIC NATIONAL CONVENTION

Educating voters also includes a presence at key cultural flashpoints, such as the Democratic National Convention (DNC) late this summer. Four years ago, we were on the ground and in the air at the DNC. And this year, we will be, too. Email Contact@CreatedEqual.org to find out how you can join us!

With our airplane tow banner in the sky, our Truth Truck and JumboTron on the streets, and young defenders on the sidewalks, we will call on Americans of all parties to recognize injustice and stand against abortion.

STUDENTS DEDICATE SUMMER TO DEFEND BABIES

This summer, twelve students from across the nation have moved to Columbus, OH to spend their summer saving babies as part of Created Equal's internship program.

For two months, their boots will be on the ground reaching hearts and changing minds. They will create conversation on sidewalks, offer help outside abortion facilities, and much more!

Every intern must raise \$2,500 for the summer program. Will you invest in them? If 100 people would give \$25, that would provide one full scholarship for one of our interns!

Watch our interns explain why they're joining us: [Youtube.com/CreatedEqualFilms](https://www.youtube.com/createdequalfilms).

IT'S YOUR TURN: JOIN US IN COLUMBUS THIS SUMMER!

As states reopen, are you ready to open dialogue with your neighbors about abortion?

This summer, we are again hosting our *Day of Action* to equip anyone, anywhere to defeat the rhetoric, offer real help to parents in need, and rescue babies.

Who: All ages | **What:** Pro-Life Training & Outreach

Where: Columbus, OH | **When:** June 28 & 29, 2020

Discounted hotel accommodations are available for a limited time! For more information or to register, go to CreatedEqual.org/DayofAction.

TAKE ACTION

1. **Donate** to help us reach Americans with our "Wake Up, America!" campaign and to underwrite our internship program. Your gifts of any size are **tax-deductible to the fullest extent of the law**.
2. **Send** our interns a message to encourage them. Email Contact@CreatedEqual.org. We'll share it with them!
3. **Join** our *Day of Action*! Our interactive workshop will prepare you for actively defending babies, and our outreach will guide you as you put this into practice. Register online at CreatedEqual.org/DayofAction.
